Leading Lemongrass Slips & Plants Supplier, Manufacturer and Exporter in India

Premium Quality Lemongrass Planting Material for Commercial Farming

Apna Anantha Farming Private Limited is a trusted supplier, manufacturer, exporter, and wholesale provider of **high-quality Lemongrass Slips & Plants** in India. We are engaged in the cultivation, production, and supply of healthy lemongrass planting materials for farmers, nurseries, agricultural businesses, essential oil manufacturers, and herbal product industries. Our company specializes in aromatic, medicinal, and herbal crops with a strong focus on quality, sustainability, and customer satisfaction.

Trusted Manufacturer of Lemongrass Slips

We manufacture and supply **premium-grade lemongrass slips** that are carefully cultivated to ensure better survival rates, vigorous growth, and high oil-producing potential. Our planting materials are suitable for commercial lemongrass farming, herbal plantations, essential oil extraction projects, and large-scale agricultural cultivation.

Our healthy lemongrass slips are selected from quality mother plants to support long-term productivity and profitable farming operations.

Exporter of Lemongrass Plants and Herbal Products

As a **growing exporter of herbal and aromatic products**, we supply lemongrass plants and related agricultural products to domestic and international buyers. Our products are widely used in the essential oil industry, herbal medicine sector, cosmetic manufacturing, aromatherapy, wellness products, and natural health applications.

We are committed to maintaining high-quality standards and delivering products that meet the requirements of global markets.

Applications of Lemongrass

Lemongrass is one of the most valuable aromatic crops cultivated for its commercial and industrial applications. It is widely used for:

- Essential Oil Production
- Herbal Medicine Manufacturing
- Aromatherapy Products
- Cosmetic and Personal Care Products
- Natural Cleaning Products
- Wellness and Healthcare Industries
- Organic Farming Projects
- Herbal Tea and Natural Extracts

The increasing demand for natural and herbal products has made lemongrass cultivation a profitable agricultural opportunity for farmers and entrepreneurs.
